KOFIH(Korea Foundation for International Healthcare) Dr LEE Jong-wook Fellowship Program Application Guidelines

Course for Graduate Degrees

보건복지부
Ministry of Health
and Welfare

KOFIH
Korea Foundation for International Healthcare

01 Course Information

○ Program Objectives

- Dr LEE Jong-wook Fellowship Program is a global training program that aims to strengthen the capacity of healthcare workforce in partner countries through systematic and practical health and medical education and trainings. It also aims to support partner countries' healthcare strategies and to raise international awareness of excellent healthcare services of the Republic of Korea.
- The ultimate objective of the program is to contribute to building a healthy and sustainable global community by expanding the overseas network of domestic medical institutions and developing into a global platform for healthcare workforce training.

► Timeline is subject to change due to schedule of universities

KOFIH

04 Program Benefits

◦ Traveling Cost

• (Entry to Korea) An economy class flight ticket from the international airport nearest to applicant's home address to Korean International Airport will be provided. The grantee shall bear at his/her own expenses all costs related to domestic travel from his/her home address to the nearest international airport. The present address in the country of the grantee's nationality stated in the application form is in principle regarded as the recipient's 'home address'.

• (Return from Korea) Return flight ticket is only provided to grantee who successfully complete the program. In principle KOFIH shall provide economy class flight ticket from Korean International Airport to the international airport nearest to the returning grantee's residence. The grantee shall bear at his/her own expense all costs related to domestic travel from the nearest international airport to his/her home address.

• International travel insurance is NOT covered.

◦ Settlement Allowance

• Offered 200,000 KRW once after entry to Korea

◦ Accommodation

• provided, but electricity and other utility fees shall not be covered.

• Most dormitory rooms of university shared with roommates.

◦ Monthly Allowance

• Offered 1,000,000 KRW per month

◦ Tuition

• Tuition fee will be covered by KOFIH

◦ Medical Korean Language Training

• Offered 2 hours, 4 times a month during the period of program

◦ Medical Insurance

• Monthly offered

• The medical insurance will be effective immediately after grantee's arrival in Korea. Insurance fee incurred during the insurance enrollment period will be reimbursed by the insurance company. If a grantee has to receive medical treatment, one must first pay for the medical bills and submit receipts to one's insurance company. The insurance company will refund partial amount of the medical bills. It is grantee's responsibility to check the insurance terms and policies provided to the grantees when on enrolls in the insurance plan.

◦ Extra Activities

• Offered workshops, seminars, field trip, site-visit and others (depending on universities)
